MESSAGE

Dear Shri Mukhopadhyay,

I am happy to learn that Voluntary Health Association of India (VHAI) Arunachal Chapter under Public Private Partnership (PPP) project on Health Sector is completing four years of relentless service. VHAI has been managing quiet a good number of Health institutions in various remote areas satisfactorily for which it deserves special appreciation for the effective and useful service rendered to the poor and needy patients from rural areas.

The organization is effectively spreading awareness campaign for HIV/AIDS control, Tobacco control and promoting Herbal medicines which is of great help to the people.

I congratulate you and your team for rendering noble service to the people of Arunachal Pradesh and hope that VHAI would continue to make every possible effort to extend its working jurisdiction in future which would benefit the State as well as the people in health sector.

My best wishes to you and every member of VHAI.
