## MESSAGE

### VOLUNTARY HEALTH ASSOCIATION OF INDIA

It gives me immense pleasure to learn that Voluntary Health Association of India is completing fifty months of dedicated service under Public Private Partnership (PPP) project in Arunachal Pradesh. I am also very pleased to note that in addition to managing five Primary Health Centres in remote parts of State and Community Health Centre, Deomali, the association is actively involved in Tobacco Control, HIV/AIDS control and promoting herbal medicines in Arunachal Pradesh.

I congratulate the VHAI for their commitment and high standards of humanitarian service to the people of the State. In the larger interest of the society, I trust the Association will continue to do so with the same missionary zeal in future as well.

On behalf of all Arunachalees and on my own behalf, I extend my greetings and felicitations to all those associated with the organisation and wish all success to VHAI in all their future endeavours.

General J J Singh  
PVSM, AVSM, VSM (Retd)
